

You want to be able to welcome children with autism spectrum disorders and intellectual disabilities into your program, but you are concerned about how well-prepared you are to provide a positive experience for children with unique behavioral challenges.

POSITIVE BEHAVIOR SUPPORT *FOR CHILDREN WITH* DEVELOPMENTAL DISABILITIES *IN AFTERSCHOOL AND SUMMER* ENRICHMENT ACTIVITIES

Presented by: The Enrichment Alliance of Virginia

With Guest Panelists: Andrew Elgort, Ed.D.; Marti Snell, Ph.D.; Cecily Reynolds; Elly Tucker; and Mary Voorhees, Ph.D.

Date: Friday, April 17, 2009

Time: 9:30 to 11:30 with option Q & A from 11:30 to 12:00

Location: Thomas Jefferson Memorial Church – Unitarian Universalist
717 Rugby Road
Charlottesville
Parking and entry on Edgewood Lane.

At this workshop you will:

- Look at how neurological differences may impact behavior
- Pick up prevention strategies to help create a positive, safe environment
- Discuss ways to help with “meltdowns” and other challenges
- Meet and network with staff and volunteers from other area enrichment programs who share your interests in inclusion.

To help us address your needs, please take a moment to respond to these questions:

1. On the average, how many children with developmental disabilities enroll in your programs?
2. What do you hope to take away from this session?
3. Are there any issues you particularly hope our panelists will address?
